THE SUMMER OF YOUR LIFE

EXPERIENCE THE GREAT ATMOSPHERE AT HESSEN INTERNATIONAL SUMMER UNIVERSITY FULDA (ISU)

Every summer, students from all over the world meet at Fulda University. Come along, make new friends, study together with your fellow students in an inspiring atmosphere, spend an unforgettable time together, and explore Germany with all its interesting and colorful features.

Fulda, founded over 1,000 years ago, is the home of one of the most beautiful baroque quarters in Germany. The picturesque Old Town of Fulda has timbered houses and winding cobbled lanes with cozy cafés and bars. Fulda is also a city that boasts the young University of Applied Sciences (founded 1974), where more than 8,500 students can choose from 42 undergraduate and graduate study programs in 8 departments. Especially the international master courses attract students from all over the world: Fulda University hosts students from 94 different countries on its partly historical, partly modern campus.

Apart from classes, workshops, and language courses, ISU students will go on regional and national field trips. Come with us and see fascinating German cities and landmarks. You will have the chance to see famous sites and learn more about Germany's history and culture.

THE HEART OF ISU IS THE ACADEMIC PROGRAM
